ABOUT PAM

I have 30 years of leadership experience at Morning Star Church and across Douglas County. It has been a privilege to serve young people, families, and individuals from every kind of background. John and I have been married for 35 years and have 5 adult children and 8 grandchildren. We have been active foster parents since 2018.

Do you want to keep paying more every year in property taxes for an ever expanding County budget? Are you okay with elected officials who ignore questions, work around the will of the people or who are willing to bend the law and hide things from you?

I'm running for County Commission because my answer to those questions is NO.
